ABOUT RIGA

Riga, the capital of Latvia, was officially founded in 1201. Riga is located along the Baltic Sea. The historical core of Riga is situated on the right bank of the Daugava River.

Due to its geographical location on the Baltic Sea (where East and West meets), Riga has been an important center of trade, finance and culture for centuries. Representatives of many nations have lived and worked in Riga – apart from local Livs and Latvians, Germans, Swedes, Russians and Poles also considered Riga to be their city.

Riga has unique values due to its rather intact medieval architecture. The regular building of the turn of the 19th and 20th centuries is characteristic for the planning of the historic center, oriented towards the direction of main streets in the Old City, which emerged approximately in the 14th century. In some districts of Riga, for various reasons, complex wooden constructions of that time have still been preserved, and that is an amazing phenomenon in the 21st century. In 1997, the historic center of Riga due to this valued architecture was inscribed on the UNESCO World Heritage List. In 2014, Riga was nominated as a Capital city of culture in Europe.

ATHLETES WITHOUT DELEGATES

All Athletes competing at these Championships must be Members in Good Standing of their National Federations. All athletes must be nominated by their National Federation by sending the Final Entry Form with their names.

MISREPRESENTATION

Misrepresentation is a serious breach of the IFBB Code of Ethics and occurs when an “official” of a National Federation deliberately misrepresents the number of Athletes and Delegates so as to obtain free-of-charge accommodations, meals, access to the Prejudging and Finals and other amenities at the expense of the Organizer. Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called Athlete status but fail to officially register as a competitor at the Weigh-in or, once having officially registered, fail to compete. Any National Federation found guilty of misrepresentation will be immediately disqualified from the Championships and will be fined an amount equal to the Special Package Rate for each person involved.

MEDICAL WITHDRAWAL

Once officially registered, no Athlete may withdraw from competition without the prior approval of the Head Judge. It is not acceptable for a National Federation to unilaterally withdraw an Athlete without the prior approval of the Head Judge, who has the right to verify the reason for the withdrawal. Any National Federation that fails to seek the prior approval of the Head Judge before withdrawing an Athlete shall, for that Athlete’s non-participation, be fined an amount equal to the Special Package Rate.

FAILURE TO COOPERATE

Failure to cooperate with the Organizing Committee is in contrary to the IFBB Code of Ethics and may result in disciplinary measures being taken by the IFBB against the offending National Federation.

PRELIMINARY ENTRY FORM

The deadline date for the Preliminary Entry Form is August 17th, 2020. National Federations must return the Preliminary Entry Form to the Organizing Committee as soon as possible but not later than deadline date, confirming your federation’s intent to participate in the Championships. If at this time you do not know the actual names of the Official Participants (Athletes and Delegates, including judges), please indicate the total number of individuals from your National Federation who will participate in the Championships.

FINAL ENTRY FORM

The deadline date for sending the Final Entry Form is Monday, October 5th, 2020. National Federations must submit the actual names of all Official Participants (Athletes by category and Delegates, including judges) in the Final Entry Form. In order to guarantee hotel accommodations for your team, the Final Entry Form must be returned not later than the deadline date. Your co-operation is essential to ensuring your accommodations at the hotel. The National Federations must send the room assignments, who wants to share a room with someone (please name the room-mates) and who wants a single-room in the Final Entry Form.

If a National Federation fails to respect the deadline written in the Final Entry Form, each “Official Participant” from that federation will be required to pay EUR €350 (in a double room) or EUR €425 (in a single room) instead of the IFBB Registration Fee.

It is the responsibility of the President or General Secretary of each participating National Federation to ensure that all National Team members (athletes, delegates, extra delegates) are fully aware of the rules and regulations governing participation at these Championships, to include the statements contained within this Inspection Report. If any of your athletes and/or delegates are travelling and arriving separate from your Team Manager or Chief Delegate, you must ensure they are familiar with the rules and regulations contained within the Inspection Report.
