Bodybuilding Championships

Welcome

The Organizing Committee of the Estonian Bodybuilding and Fitness Federation extend a warm welcome to all IFBB National Federations to participate in the IFBB Amateur Classic Bodybuilding World Championships and Amateur Bodybuilding, Fitness and Bodyfitness World Cup in Tallinn, Estonia.

About Tallinn

Tallinn (historically known by the German and Danish name Reval, among other names) is the capital and largest city of Estonia. It lies on the northern coast of Estonia, along the Gulf of Finland. The city is an important industrial, political and cultural center, and seaport.

Tallinn can be divided into two parts, the old and the new part. Old Tallinn is just like a museum. The centre of Old Tallinn - Toompea - is especially rich in historical monuments. The Tallinn Town Hall just beside Toompea is one of the most important historical monuments in Estonia. Town Hall was first mentioned in 1322 and nowadays it is the only one left in the Baltic countries. The Old Town of Tallinn is just like a museum. Its golden age blossomed from the early 15th century to the middle 16th century. Medieval buildings and sacred structures have been preserved nearly unchanged. For this unique architectural layering Tallinn's Old Town has earned a place in the UNESCO's World Heritage list.

The new part of Tallinn is much bigger than the old one. It is divided into 8 districts: Lasnamäe, Mustamäe, Õismäe, Nõmme, Pirita, Kesklinn, Põhja-Tallinn and Kristiine. The biggest districts are Lasnamäe, Mustamäe, Õismäe and Nõmme.

One of the most beautiful sights in Tallinn is the park and palace of Kadriorg near the coast of the sea. This is 2 kilometres east of the centre and is served by buses and trams. The former palace of Peter the Great, built just after the Great Northern War, now houses (part of) the Art Museum of Estonia, presidential residence and the surrounding grounds include formal gardens

and woodland. The new residence of the Art Museum of Estonia: KUMU (Kunstimuuseum, Art Museum) was built several years ago.

Tallinn, and of course the whole Estonia is famous for its song festivals at Lauluväljak, situating beside the park of Kadriorg. Song festivals are held in every five years. The first one took place in 1869 in Tartu.

Tallinn is also the number one city in the world which is almost fully covered with Wireless Internet. In 2008, International Summit for Community Wireless Networks named Tallinn, the capital of Estonia, as the city which has the largest widespread of Wireless Internet.

Venue Site

<http://www.tallinnconcerthall.com/>

The Nokia Concert Hall theatre, concert and conference hall stage was built and assembled by specialists from the French company Caire on the 13th of August, 2009. According to Aivar Sirelpuu, the director of Nokia Concert Hall, fitting the stage technology was complicated by the multi-functionality of the hall: "We had to take in to consideration that the hall had to cater for the organization of concerts from classical music to pop, theatre shows to musicals as well as large, modern conferences." The stage technology of the new concert hall was assembled from scratch by specialists from one of the oldest and most renowned venue construction companies, Caire.

Athletes Without Delegates

All athletes competing at IFBB World Championships must be Members in Good Standing of their National Federations. Failure To Honor Final Entry Form Deadline

Deadlines are set to assist the Organizer with arranging accommodations, meals, onsite transportation and other Championship activities. A failure to respect these deadlines is a breach of IFBB Rules. The IFBB reserves the right to deny participation to any National Federation that does not respect the deadlines for submitting the the Final Entry Form. If a National Federation fails to respect the deadline written on the Final Entry Form, each Official Participant from that federation will be required to pay all of his or her own expenses, including accommodations, meals, onsite transportation and access to the Prejudging, Finals and Farewell Banquet.

Misrepresentation

Misrepresentation is a serious breach of the IFBB Code of Ethics and occurs when an „official“ of a National Federation deliberately misrepresents the number of athletes and delegates so to obtain free-of-charge accommodations, meals, onsite transportation, access to Prejudging, Finals and Farewell Banquet and other amenities at the expense of the Organizer.

Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called Athlete fail to officially register as a competitor at the Weigh-in or, once having officially registered, fail to compete.

Any National Federation found guilty of misrepresentation will be immediately disqualified from the Championships and will be fined an amount equal to the Full Special Package Rate for each person involved.

Medical Withdrawal

Once officially registered, no Athlete may withdraw from competition without the prior approval of the IFBB Chief Judge. It is not acceptable for a National Federation to unilaterally withdraw an Athlete without the prior approval of the IFBB Chief Judge, who has the right to verify the reason for withdrawal.

Any National Federation that fails to seek the prior approval of the IFBB Chief Judge before withdrawing an Athlete shall, for that Athlete´s withdrawal, be fined an amount equal to the Full Special Package Rate.

Failure To Cooperate

Failure to cooperate with the Organizing Committee is contrary to the *IFBB Code of Ethics* and may result in disciplinary measures being taken by the IFBB against the offending National Federation.

Preliminary Entry Form

The deadline for the Preliminary Entry Form is October 10, 2011. National Federations must return the Preliminary Entry Form to the Organizing Committee as soon as possible but no later than deadline date, confirming your federation´s intent to participate.
